### WARNING CONCERNING COPYRIGHT RESTRICTIONS

The copyright law of the United States (Title 17, U.S. Code) governs the making of photocopies or other reproductions of copyrighted material.

Under certain conditions specified in the law, libraries and archives are authorized to furnish a photocopy or other reproduction. One of these specified conditions is that the photocopy or other reproduction is not to be "used for any purpose other than private study, scholarship or research." If a user makes a request for, or later uses, a photocopy or reproduction for purposes in excess of "fair use," that user may be liable for copyright infringement.

This institution reserves the right to refuse to accept a copyright order if, in its judgment, fulfillment of the order would involve violation of copyright law. This institution is not responsible for any views or opinions expressed in these materials.

I understand that I am obligated under law (Title 17, U.S. Code), not to use the above listed materials or permit these materials to be used for any further reproduction without the express permission of the American Airpower Heritage Museum, Inc.
